

TDBC NEWSLETTER – October 2017

Excitement is at a minimum this month. The TDBC Board meeting was canceled: no urgent events to discuss, no changes in planning or policy, and no member to reprimand. This is good because it proves that our club runs like a well-oiled machine. CHEERS to our Board of Directors for their efficient management of TDBC.

*TEARS: on the passing of **Ginny Harrison**. Ginny was an active member for many years before failing health took over.*

*CHEERS: to have **Colleen Wiley** back at recent games.*

CHEERS: to see our newer players join in TDBC regular games. Fresh faces and new competitors make for an enjoyable event. We welcome them. We should be on the alert to offer assistance when asked – not instruction.

*CHEERS: to **Will Boynton** who amassed 80+ points at the Atlanta Regional. Congratulations on such impressive results.*

*HEALTH NOTE: Our patient/observant/game director/and loyal club manager **Steve Ross** is undergoing surgery to repair some damage caused by a sudden internal breakdown a while back. We wish him a speedy recovery. **Ken Harris** will assume Steve's role while Steve is recovering. Ken will be the go-to person in club management issues.*

***Stacie Humphrey** continues to undergo therapy for the rare neuro disorder that has taken her over. She says she had good and bad days/times and misses the bridge atmosphere and friends at the clubs.*

*HAPPY BIRTHDAY to **Jeannette Winters** on October 3*

Dates to remember:

- 1. October 11 – pro-am proceeded by Chili cook-off at 5:30 p.m.*
- 2. Week of October 16 – StaC week*
- 3. October 15 and 17 – Jane Johnson appreciation games (extra points)*
- 4. October 21 – **Spencer Hurd** workshop at 10:30; game follows*
- 5. October 25 CCDBC – **Steve Whitaker** holds an instant MP game for a gold point*

Until next time . . .
